

A nonprofit dedicated to championing and nurturing emerging musicians

GRANTS

Artist project grants up to \$15K to support recording, producing, promoting, touring, or otherwise furthering a sustainable career in music.

SALT LICK SESSIONS

An in-studio, live performance series showcasing emerging and established artists from around the country to foster music discovery and connect artists with fans worldwide.

SONGWRITING RETREATS

Joining artists with each other and mentors to elevate their craft, improve their odds of creating breakthrough material, and forge lasting connections to support them as they navigate their careers.

COLLABORATIONS

Partnerships to amplify our impact, from co-hosting a songwriting clinic with We Make Noise to co-presenting a *Salt Lick Sessions* artist showcase hosted by Brandi Carille.

HEALTHY ECOSYSTEM

We are building an equitable, exploitation-free ecosystem for emerging musicians by helping them select managers, agents, labels, and other professionals while steering them away from predatory practices and industry pitfalls.
